Audio Response Teller Updated

As most of you that use our audio teller know, we have recently updated the system. The new system will be more reliable than the old system and it also has more phone lines available.

The number for the audio teller is still **513-381-1290**. You will need your account number and your pin should be the last four numbers of your SSI number.

Getting a large IRS refund sent to the CU?

Because of availabililty we have a **\$1000 limit** on daily withdrawals.

FRAUD UPDATE!

There are many types of potential fraud around today. One that is making the rounds lately is the “Secret Shopper” scheme. A person will get a letter and a check which states deposit this check (\$1000 - \$4000) and use the funds to buy gift cards for an amount much less than the check. Send the gift cards back to us and keep the difference. Problem is the check is no good then the financial institution will come after the depositer to return the funds.

ATM Deposit Info

All deposits, Check or Cash, made into an ATM automatically have a 3 business day hold placed on the funds. To discuss the hold please call the Credit Union.

VISA

Have you checked the rate on your credit card lately? We have a low, 9.99%* APR (Fixed) interest rate **VISA CARD** with no annual fee for qualified members.

Rates from 9.99% to 15.90% APR

APR – Annual percentage rate
